

## Parks & Recreation Division

The City of Duluth prides itself on our beautiful parks, many of which may be reserved for your private events or special occasions, such as wedding ceremonies.

- The permitting season for private events is from Memorial Day weekend thru the end of September.
- Reservations are taken for weddings for the current and following year.
- A permit does not give “exclusive” use of the park; only the shelter or gazebo; the park is still open to the public.

Examples are races, runs, walks, festivals, or neighborhood events. These events require a different application and permitting process.
